## Le Mirage

In today's hectic and time-stressed world, a pedicure featuring easy, carefree maintenance and exceptional performance keeps the spa owner's focus where it belongs, on the client's needs.

### Features:

- A base constructed of high quality Lucite™ acrylic, reinforced with fiberglass for strength and stability.
  - Durable and easily maintained high gloss finish (in white, biscuit and bone) with chrome fittings and fixtures.
  - High quality chrome faucet with dual action spray/spout
  - Pipeless Genijet™ hydrotherapy jet system (4 jets) for years of sanitary service.
  - Quiet push on/off air switch control for jet system and adjustable air control for maximum client comfort
- 
- Premium adjustable swivel-sliding-locking chair with 160 degree recline
  - Luxurious quality vinyl chair with fold up armrests and footrest
  - Height-adjustable footrest
  - Stainless steel rear mount hot and cold water lines
  - Low profile P-trap
  - Full one year warranty on all parts and labor

### Optional Features:

- Genijet™ Eye-Nizer™, a disinfectant jet system that is proven safe and effective in killing bacteria and fungi during treatment without expensive and harsh chemicals.
- Ultra leather upholstered chair in black, burgundy and beige
- Remote controlled roller massage
- Remote controlled massage with heat and vibration
- Soft-Touch therapy light
- Additional Lucite™ colors / patterns for base
- Two-tone vinyl or Ultra Leather upholstery

- Color co-ordinated acrylic manicure tray set
- European faucet
- Technician's chair in black, beige and burgundy
